

Lewannick Garden Club

Just to put you in the picture, we are not planning any meetings in September. If all goes well, we may be able to follow our original plan to meet outdoors in September at Tim's woodland project near Okehampton. We'll have to confirm that nearer the time. We wish you all good health and look forward to seeing you again later in the year.

Lewannick Parish Council

Welcome back to the Parish Newsletter after very unusual times! As usual everyone in the parish has been doing their bit over the last few months. Whether you were at home to stay safe, working from home, a keyworker, anyone that has continued their usual day to day work or taken some other role in this strange time, we would like to say thank you to you all for keeping the parish safe and well. We have been very lucky to have such excellent support from the shops in Lewannick and Polyphant, Budgens, and various people who have kept us supplied with food deliveries large and small! The Archers Arms for providing take away meals or deliveries and Lewannick school, which has remained open for keyworkers and vulnerable children, latterly also to welcome back some year groups. Carnewater practice has remained open for the collection of prescriptions only. The Parish Council has continued with essential matters, grass cutting, planning applications and maintenance of the play areas and community spaces. Our clerk, Linda, has been keeping the council up to date with guidance regarding Covid-19 guidelines. Public meetings will resume and will be advertised on the website. As usual the agenda and minutes can also be viewed on the website.

Polyphant Ladies Club

At the moment Polyphant Methodist Church and Community Centre is still closed, so there will be no meeting of the Ladies club in September. I have also heard from the National Trust at Killerton House saying that there will be no Group visits this year, so sadly our trip on the 9th September is also cancelled. Stay safe."
