

## Bovetown Farm Lewannick

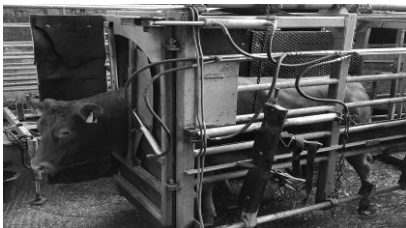

On the farm we are preparing for winter housing. In this rainfall area we plan for a 6 month winter (Hopefully its less), we bring the cattle indoors during this period to stop grass fields becoming a sea of mud. On the farm repairs are needed from last winter when the cows where indoors, cows weighing in the region of 800 kgs and wanting a good scratch or calves chewing on anything within reach ( plus the occasional wayward tractor driver) caused damage indoors.

Some cows need their feet trimmed, we use a professional foot trimmer who brings a Turn- over crate, this gently lifts the cow and lies it on its side so all four feet are easily accessible, a stressless procedure for all concerned!

Turn - Over Crate

At housing calves are separated from their mothers, this is a Very Noisy time – Sorry. These are “big babies” many weighing in at 400 kgs.

Their mothers need a break from calves demanding milk before the first of the next batch of calves are born in mid- January.

## Lewannick Parish Council

The council had a Covid compliant meeting on the 20<sup>th</sup> October 2020, draft minutes are available on the Lewannick PC website. We discussed Polyphant Green and the opportunity to have its classification of common land changed to Village Green status, there has been overwhelming opinion from the community to retain its common land. With this information the decision was made to retain common land status for the future. A discussion took place concerning serious damage and malicious acts which took place at the school. The school premises are available out of school time. The hard play area and football pitch are accessible to the community to enjoy. However the buildings are NOT part of this agreement. The malicious acts are quite shocking and could be caused serious injuries. This behaviour is unacceptable and it could result in the school closing the grounds. If anyone witnesses such behaviour could they please contact the police straight away.

Next Parish Council meeting will be held on Tuesday the 17<sup>th</sup> November in Lewannick Village Hall.
