1	Apologies. All present	
2	Declarations of Interest a) Agenda Items. Cllr B Sleep declared a non-pecuniary interest in Item 6 a) PA20/09051 and PA20/08904 and will not take part in discussions or vote. b) Gifts. None	
3	Consideration of written requests for dispensation. None received	
4	Unitary Councillor's Report. Cllr Parsons encouraged everybody to adhere to the Covid 19 guidance; cases are rising locally and it is important that everyone keeps safe. If anyone needs help during this pandemic they can ring and request a volunteer on: 01872 266988 or email: covid19@cornwall.gov.uk . Cllr Parsons reported that Trekelland Bridge has been struck by a vehicle again, very likely a bus; a Road Closure Notice has been issued for February to carry out the repairs and the Clerk confirmed that she has received this. The Chairman of South Petherwin Parish Council would like to meet with Cllr White, Chair of LPC to discuss the bridge. Cllr Parsons will discuss this further with Cllr White and organise a Teams meeting with a possible site meeting in the future when allowed. It would appear that funding for a new bridge is a stumbling block. Trekelland Bridge is on the 'At Risk' register with English Heritage however, because parts of it have been hit and repaired so many times some of the parapets have become delisted.	AP
5	Public Participation and Council's Response The member of the public referred to the physical meeting held on the 20 th October 2020. The member of the public asked that under item 15e) of the agenda, consideration is given to reducing the Precept. A discussion ensued regarding the reasons for the increase last year and the provisions that have to be made to counter extra Audit charges to cover the time given by PKF Littlejohn in answering questions etc. raised by the public and the Parish Council's response (£360 per hour). LPC is still waiting for the 2018/19 invoice, for which there were 8 pages of questions and answers produced, and there is 2019/20 to consider; it is not yet known if any perceived issues have been raised by the public for this year. The member of the public would like written responses to the FOIAs, Item 14e) of the agenda. The Chairman pointed out that as these were pre-emptive and the documents/evidence requested have not been nor will be produced there will be no response. The member of the public asked when the letter of resignation was sent from Cllr C B Newbery, it was replied that the letter was dated the 2 nd November which preceded the email received from this person on the 4 th November. The member of the public referred to the complaint against Cllr J Newbery, Item 14d) and was told that he will need to take this further with the Monitoring Officer if he still has an issue. (The complaint was not upheld against Cllr J Newbery nor was any breach found).
